Re: Projects

Dear Grade 6 G.A.T.E. students and families:

The Grade 6 G.A.T.E. students are currently presenting their outstanding medieval castles, as well as sharing history from the Dark Ages to the Renaissance. They are doing a great job.

Many of the younger children will learn from and enjoy these shows.

Collaborative and public speaking rubrics will be used.

Once we finish this unit and our visits, the Grade 6 G.A.T.E. students will do some basic research on water - bays, coral oceans and the deep sea, fresh water, and the global need for fresh water - to get a foundation for the March 15th trip. There will be no project.

They will participate in a spontaneous challenge once they arrive in March.

Thanks.

Sincerely,

A handwritten signature in black ink that reads "C. Bester". The signature is written in a cursive style with a horizontal line above the first name.

Celeste Bester
G.A.T.E. Coordinator
