

Frost Valley Trip

Spring 2010

February 3, 2010

Dear Parents,

In May, the seventh grade will be going to Frost Valley Environmental Education Center located in the beautiful Catskill Mountains of New York. Two unique benefits of this trip are the active learning experiences and the team building activities. The three days at the environmental camp give the students the opportunity to solve problems and meet challenges, cooperatively. Therefore, this year's trip has been scheduled for May 24, 25, and 26, 2010.

The cost of this year's trip is \$230.00 per student. Permission and medical forms are included in this packet. Only one set of forms will be issued per student. If you need additional forms, please see Haworth School website under "flyers" to download and print new forms.

This trip is a wonderful opportunity for students to come together in active and educational programs that will build cooperation and trust. We will need several parents to volunteer as chaperones for the trip – if you are interested in volunteering please contact me by email at mcghee@nynet.org. If you would like to know more about Frost Valley check out their web site at www.frostvalley.org.

Please return all forms and fees to Mrs. Karen Oddo in the office. All forms and students fee at \$230 are due and paid in full by February 24, 2010. Please make your check out to the HAWORTH SCHOOL FUND.

Thank you,

Anna McGhee
