We are delighted to announce that award winning children's author Richard Newsome will visit Haworth School on Tuesday, December 10 to discuss the books in his Archer Legacy series. Mr. Newsome will be speaking to students in grades 3 – 5.

An author visit is a wonderful opportunity for young readers to meet the creators of the books they read, and we have arranged for both students and teachers to purchase autographed copies of their books. Please consider extending this learning experience through the purchase of an autographed book.

About the Author

Richard was born in New Zealand but grew up on Queensland's Gold Coast. He wrote his first book at the age of 12 as part of an English assignment.

In an attempt to bore his children to sleep at night, he started making up a story, which would eventually provide the basis for his Billionaire's series of books.

In researching the trilogy, Richard traveled to England, India, France, Italy, and Greece, visiting many of the historical sites featured in the books. He lives with his wife and three children in Brisbane, Australia.

A percentage of book sales will benefit Haworth School

The order deadline is Friday, November 22.

This event has been arranged through the courtesy of Books, Bytes & Beyond, the independent children's only book seller in Glen Rock specializing in the educational market & author events.
