RE: 2021 EDUCATOR OF THE YEAR

October 12, 2020

Dear Haworth Parents, Faculty, and Students,

I am excited to announce that we will be participating in the **Governor's Educator of the Year Award** and need **your assistance in selecting a great educator to be nominated to represent our staff**. This is a prestigious honor that can lead to additional titles such as Bergen County Teacher of the Year, New Jersey Teacher of the Year and, ultimately, selection as a National Teacher of the Year.

In selecting for this position, either **a teacher or educational service professional** can be selected. Criteria for selection and the listing of eligibility requirements are attached and will be followed by the committee.

As members of the Haworth community, we value your input and ask you to please nominate a certified staff member you feel is worthy of this recognition. **The nomination forms are available on the school website homepage or in the main office. Nominations are due to me no later than November 16th. You may drop off the form to my attention or email it to me at hughesp@nvnet.org.**

Educationally yours,

Dr. Peter J. Hughes
