SALE AND DISPOSAL OF BOOKS, EQUIPMENT AND SUPPLIES;  
SALE, LICENSING AND RENTAL OF PROPERTY

The Haworth Board of Education believes that the efficient administration of the district requires the disposition of property and goods no longer necessary for the maintenance of the educational program or the operation of the school district. The board shall direct the superintendent/principal to review periodically all district property and shall authorize the disposition by sale, licensing, rental or donation of any property not required for school purposes.

The superintendent/principal/school business administrator shall develop rules for the disposition of property that ensure that all sales are conducted in a fair and open manner consistent with the public interest, and in compliance with law. Notification of a sale of district property shall be announced so the community at large has an opportunity to participate in the sale.

Supplies and equipment for specific programs, purchased with funds granted by the state and federal government, shall be disposed of in strict accordance with applicable law and regulations.
