

Policy

PRIVATE TUTORING

The Haworth Board of Education recognizes that the discharge of its responsibility to provide a thorough and efficient system of education for each child in the district may require special help for some pupils beyond the regular classroom programs. Tutorial instruction shall be interpreted to mean individualized instruction additional to, and in support of, regular classroom instruction.

Whenever possible within the working day, each teaching staff member shall assist assigned pupils in the remediation of individual learning difficulties.

In certain cases where extra help is desirable and the parents/guardians request such assistance, a teacher or administrator may recommend that the parents/guardians secure tutorial services for the pupil.

To avoid placing a teacher in a position where he/she may have a conflict of interest, teachers shall not tutor for a fee:

- A. Pupils enrolled in their class,
- B. Pupils enrolled within the grade level they are teaching, and
- C. Pupils enrolled in the grade level below or above the grade level they are teaching.

To avoid placing an administrator in a position where he/she may have a conflict of interest, administrators may not accept monetary compensation for tutorial services.

There can be no tutoring or presenting of lessons for a fee on school premises.
