The board secretary (or other person deemed to be the custodian of public records) shall permit the minutes to be inspected, examined and copied by any person during regular business hours. The video or audio recordings shall not be removed from the board office and must be played in the presence of the board secretary/designee. All video or audio recordings shall be stored in a locked cabinet located in the board office and shall be retained under the NJDARM schedule for 45 days or until official transcripts or minutes are prepared and adopted, whichever is longer.

Video and Audio Recordings by Members of the Public

Any member of the public is entitled to make an audio or video recording of a board of education meeting; subject to reasonable restrictions including that the taping will minimize intrusiveness and not interrupt the proceedings. Any person wishing to make an audio or video recording of a meeting shall provide written notice of their name, address and telephone number and will consent to the board, at its own expense and upon request, to make a reproduction of the recording. Absent prior board approval, no additional artificial lighting shall be permitted. No electrical or other wiring is allowed due to the danger of entanglement and tripping. All persons recording board proceedings shall hold the board harmless against all damage or injury whether to equipment, to themselves or to others. To protect privacy, there shall be no recording of closed executive sessions and no audio pick-up of private conversations occurring in the audience or between the board and its attorney. Persons making video or audio recordings of public meetings shall not move around the room while meetings are in session and equipment, once positioned, shall not be moved during the board meeting. Unless waived by the board, no more than two portable video cameras, operated by not more than two persons, shall be allowed, on a first-come, first-served basis.
